

Financial and Legal Support

[Cancer Legal Resource Center](#)

A joint program of the Disability Rights Legal Center and Loyola Law School. Provides free and confidential information and resources on cancer-related legal issues to cancer survivors, their families, friends, employers, health care professionals, and others coping with cancer.

[Fertile Action](#) (formerly My Vision)

A breast cancer organization for women of reproductive age, advocating fertility preservation prior to receiving cancer treatments or prophylactic surgeries that can cause sterility for women between the ages of 18 and 45. Also offers breast cancer patients reduced in vitro fertilization fees and donor sperm selection packages.

[Myriad Patient Assistance Program](#)

The Reimbursement and Financial Assistance Programs offered by Myriad Genetic Laboratories, Inc., the company that does BRCA genetic testing. Their goal is to ensure that patients receive the appropriate coverage from their plan and are aware of their own financial obligations prior to testing. Myriad is also able to offer testing at no charge to uninsured patients who meet specific financial and medical criteria.

[Patient Services, Inc](#)

For nearly two decades, PSI has helped people who live with certain chronic illnesses or conditions locate suitable health insurance coverage and access ways to satisfy expensive co-payments.

[Right Action for Women](#)

Right Action for Women was founded by breast cancer survivor Christina Applegate to provide aid to women at high risk for breast cancer who do not have insurance or the financial flexibility to cover the high costs associated with breast screenings.
